BAY ST. LOUIS, MISS., FRIDAY, MARCH 22, 1946

VOL. 54 — No. 12

A WORD FROM MINNEAPOLIS

By HALSEY HALL
(Sports Editor of the Star-Journal
And Tribune)

When Manager Zeke Bonura of the Minneapolis Millers told president Mike Kelley, back in February, that he'd build him a diamond at St. Stanislaus field, line him up a good exhibition schedule and make Bay St. Louis an attractive place to rain, Mr. Kelley consented—with mental reservations.

Now there is no bigger booster for Bay St. Louis than Kelley, coach Ray Kulp, trainer Doc Bowman and each and every member of the Minneapolis baseball party. For the hospitality of Bay St. Louis, the weather that someone has fixed up, the condition of the field and clubhouse have teamed together to make this one of the finest spring conditioning trips that this writer ever took.

This season marks the return to southern climes for baseball clubs from major league classification to class C. Therefore it was doubly important that it be a happy return. Now the Millers have trained in Montgomery, Ala., San Antonio, Shreveport, New Braunfels, Texas, Deland and Daytona Beach, Fla., Decatur, Alabama and Hot Springs, Ark., in recent seasons.

Came the war and they went north—to Terre Haute, Ind., Quincy, Ill., and even Eau Claire, Wis., only 100 miles from home. The hospitality in those towns was good, sometimes great, often better than it had been in Florida.

But Bay St. Louis has held out both brimming palms—the one Indian with friendliness and good will, the other with fine weather and training conditions. No wonder the Millers, from Mike Kelley down, are going to be walking advertisements for this section of the Gulf Coast.

Mayor Blaize, the Brothers of the Sacred Heart, yep inn keeper Howard Lettissier, Banker Seal, Scafide and others, Coach John Scasfide (who's well thought of in Minnesota football territory) the postmaster, tavern proprietors, builder Frank Cooper, storekeepers, Western Union Gilmore, businessmen, what have you—the Millers are glad to be here.

Holy Week Preacher Announced

Rev. Philip E. Pierce, Pastor of the Main Street Methodist Church, Bay St. Louis, announced this week that Rev. J. L. Neill has accepted an invitation to preach for a series of meetings during Holy Week, April 14-20th. Rev. Neill is serving his third year as Supt. of the Seashore District of the Methodist church. He has held successful pastorates in many cities of the Mississippi Conference, including Gulfport, and was for a number of years Chairman of the Conference Board of Evangelism.

Meeting of Bay-Waveland Garden Club

The Bay-Waveland Garden Club met at the home of Mrs. Louis Pate on Thursday of last week with Mrs. A. P. Smith Mrs. Charles G. Moreau, Mrs. Frank Kiefer and Miss Elsie Sport entertaining with Mrs. Pate. A musical program was given. John Dupacque giving several numbers on the piano and Robert Schaff a Baritone solo with piano accompaniment by Mrs. Pate.

The award for flower arrangement was won by Mrs. Norman Rau and the award for miniature went to Mrs. Pate.

Refreshments were served and a delightful social hour was enjoyed. The club voted \$35 to the Red Cross Fund.

Bay Hi Rifle Club Enrolled In National Rifle Assn.

Mr. Wayne Alliston, instructor for the Junior State Guard Rifle Club, has just received word that the application for membership in the N. R. A. has been approved and that the local unit is a full fledged member of the National Association.

Application to secure rifles has already been made and as soon as they arrive training will start.

Prominent Sports Writers In Bay St. Louis

Mr. Eddie Jones, representing the Minneapolis Times, and Mr. Halsey Hall, with the Minneapolis Star Journal and Tribune, are in Bay St. Louis reporting the progress of the "Millers" for their respective papers.

Both men express their appreciation for the fine reception they received and after three years of spring work for the club in the north they agree that this is "wonderful."

Mr. Hall at present has his wife and daughter with him.

JOSEPH A. DEDEAUX OF SELLERS DIED SATURDAY MORNING

On last Saturday morning Joseph A. Dedeaux of Sellers Community died at the City-County Hospital in Gulfport. Mr. Dedeaux had undergone a major operation and was ill for about a week.

He was a native of Pearl River County having been born just six miles north of the Sellers Community in which he lived. He married the former Miss Sylvia Lader of Nacaise Crossing and to this union were born four children. The eldest son Elgin was killed in the Philippines Islands. He was a member of the 31st Infantry. Mr. Dedeaux is survived by his wife, and three children, Mrs. Calvin Smith of Pascagoula; Mrs. Gloster Lader and Leslie Dedeaux of Sellers. In addition to his wife and children Mr. Dedeaux is also survived by five brothers and four sisters, namely Alphonse, Artie, Burk, Floyd, Grady, Mrs. Frank Spence, Mrs. Lawrence Lader, Mrs. Purcell Shaw and Mrs. Edgar Smith.

Mr. Dedeaux was buried at the Crane Creek Cemetery at three o'clock with services of the Baptist Church conducted at the grave by the Rev. W. C. Wyatt former pastor of the Crane Creek Baptist church, assisted by Rev. Z. A. Polk, Pastor of the Crane Creek Church, Rev. Wade Smith and Rev. T. V. Lader. The pallbearers were Purcell Shaw, Claiborne Shaw, Plumer Shaw, Joseph Davis, Edgar Smith and Henry Harrell.

Mr. Dedeaux was one of Hancock County's outstanding citizens, a man in whom explicit confidence could be placed and who was held in high esteem by all who knew him. In his passing the people of Hancock County as a whole have suffered a distinct loss.

We join with his many friends in extending our sympathy to his bereaved family.

SWEET POTATO TALK

Four hundred farmers and dairymen days by letter in which they were told the financial returns to be realized from the planting of sweet potatoes. So much interest was manifested by those contacted that another letter will be issued within the next few days by the operators of the Hancock Stock Feed Company. This letter will deal with the available sources of potato slips and the proper method of fertilizing the soil for maximum yield. Several places in Mississippi will furnish slips up to any number, and quite a number of ads appear in the Progressive Farmer where slips might be obtained as late as April 10 from Tennessee planters. It is hoped that when next season comes around that someone from our own county will be in a position to supply the local demand. Plants are expensive and range in price from \$3.00 to \$4.00 per thousand. Fertilizer is one of the rather "hard-to-get" items. The County Agent advises, however, that for producing a maximum crop of sweet potatoes, 700 to 1000 pounds of 8-8-6 is required along with 100 to 150 pounds of Muriate of Potash per acre.

It is interesting to note that we have had several requests for information regarding plants and fertilizer requirements from outside the State. These people were quick to realize the possibilities in the potato crop this year. They have written and expressed their interest and have asked for more particulars regarding certain matters.

With regard to the Beard Challenge dehydrator some delay is being experienced in its delivery to Bay St. Louis. The Monti Building has been ready for occupancy since last Monday and it is felt sure that the machine should be here at any time.

Coming Events at S. J. A.

The annual retreat for the entire High School and the 7th and 8th grades will be held at St. Joseph Academy, from March 27th through March 30th. Rev. Father Edward Curry, S. J. will be the retreat master.

Other important dates for the remaining school months are the Jr.-Senior Prom, which will be April 27.

The May Festival to be on Saturday, May 4th.

The date of graduation will be Saturday, May 25th.

Honorably Discharged From U. S. Waves

Eunice Tudury, T 21c of the U. S. Waves returned home on Tuesday night after having been honorably discharged on Friday, March 15, in Miami, Fla. Miss Tudury has been in the service 19 months and has been stationed at VR-7, a Naval Air Transport Squadron in Miami, most of the time. At present she has made no plans but may enter some college for special training in the near future.

COUNTY ROADS AND BRIDGES SUFFER HEAVY DAMAGE

Loss Will Amount Above \$8,000.00

The rains of last week have caused untold damage to the roads and bridges throughout the County. Many sections were cut off by the high water. Crane Creek, Hickory Creek, Catahoula Creek, Bell Creek, Jordan River and numerous other smaller streams rose to a height heretofore unknown. With the piling up of debris in these streams several large bridges and fills were washed away. Beats One, two and Five in the County did not sustain the loss of any of their bridges but several fills were washed out. In Beat Four the steel bridge over Hickory Creek was carried some three hundred feet down the stream and turned bottom side up. Two bridges on the Leetown-Picayune Road above the home of Otto Rester together with the fills were nearly completely washed away. The Necaise Crossing-Ceasar Road was left in very bad shape and many fills and small culverts were washed out. The shoulders of the large fill above the Jordan River Bridge were hurt to some extent. Bell Creek Bridge just recently completed between Standard and Sellers was washed away, and numerous fills and small culverts will have to be replaced. The fill above the Crane Creek bridge was washed out.

In discussing the damage done throughout the County by the rise that took place following the heavy rains with Mr. J. R. Rollins, the County Engineer, we were informed that the damage that has been done on the County Roads and bridges will probably amount to above \$8,000.00.

The Board of Supervisors will be in session this Friday at which time this matter will come up for discussion.

Baby Rockchaws Capture The Gulf Coast "B" Championship in Biloxi

Inaugurating a new trend in sport events along the Gulf Coast, Biloxi High School sponsored a "B" team basketball tournament held at that school March 14-16. In a field of ten entries the Stanislaus Juniors coached by Brother Flavian, successfully defeated Wade, Biloxi and Dedeaux to win the tournament.

The Junior Rocks had little trouble eliminating Wade, swamping them 32-13.

Advancing to the semi-finals, the Rockchaws displaced a flashy, fast-passing Biloxi team in a thrill-packed game. Brilliant defensive work on the part of the Biloxi Indians held the Rocks to a low scoring victory of 18-13. This game was probably the best of the tournament.

In the finals held on Saturday night, Stanislaus, the winner in the lower bracket, met Dedeaux, the upper-bracket winner in a one-sided affair which resulted in a 30-7 victory for the Bay St. Louis boys.

Able paced by Co-captain Louis Mogabgab, the Rocks took an early lead and held it throughout the game. Captain Buddy Holmes received the trophy and congratulations for the team from Coach Walker, the Biloxi High mentor and sponsor of the tournament. Coach Walker expressed his appreciation to the participating teams and hoped that this newly-inaugurated tournament would find a permanent place in the Gulf Coast athletic events.

Regular Monthly Meeting Of Womens Society of Christian Service

The Womens Society of Christian Service held the regular monthly meeting on Tuesday afternoon at the home of the president, Mrs. A. C. Enixios with Mrs. H. K. Holderith and Miss Josie Miller entertaining with Mrs. Enixios.

Mrs. F. J. Nelson was named as official delegate to the Mississippi annual conference of the Womens Society of Christian Service to be held in Jackson next week. Mrs. C. C. McDonald will also attend the conference. Several new members were received into the society.

The Worship Service was led by Mrs. C. M. Shipp and Mrs. Allison gave the Topic, "Peace, Through His Cross."

Refreshments were served and a social hour enjoyed. The April meeting will be held with Mrs. W. L. Bourgeois.

Dr. C. M. Shipp Acting Director in Pearl River County

Due to the shortage of doctors, Dr. C. M. Shipp, Hancock County Health Officer, has been asked to serve in Pearl River County two days a week until a permanent health officer for that area is appointed. His new duties will keep Dr. Shipp out of his office in Bay St. Louis on Monday and Thursday of each week.

JOINT BAND CONCERT PRESENTED TUESDAY AT BAY HIGH GYM

The Bay St. Louis Rotary Club presented St. Stanislaus Band and Bay High Band in a concert at the Bay High gymnasium on Tuesday evening before a packed house.

The two junior bands were better than good and Billy James directed one of the numbers with the dignity of a seasoned director. There were vocal numbers by the St. Stanislaus Glee Club and Bay High club, Miss Gay Gex was at the piano for the St. Stanislaus Club. The piano number, "Polonaise" by Chopin, by Miss Irma Kenney was most praised—worthy and was awarded much applause. The massed chorus with band accompaniment sang "The Nation's Prayer" and the program closed with the singing of "The Star Spangled Banner," the audience joining in.

Due credit must be given these young people who showed not only talent but hard study and work and behind this were Mrs. Carl Smith, director of Bay High chorus; Sister Antoinette, director of music at St. Joseph Academy; Brother Felician, director of St. Stanislaus Glee Club and Brother Romig and C. F. Rooney, band directors of St. Stanislaus and Bay High respectively.

It is gratifying to see the people of Bay St. Louis showing marked appreciation of this type of entertainment and showing their taste for worth while programs by their attendance.

Annual Dance Orchestra Clinic Held Saturday At Bay High

Held at Bay St. Louis, March 16, at Bay High was the First Annual Dance Orchestra Clinic in Mississippi, with Deke Moffet, well known composer, arranger and orchestra leader from Cincinnati as guest conductor. Six Coast School Dance Orchestras took part on the program. Two twenty-piece clinics' orchestras were formed from students picked from the six school dance orchestras. Coast schools represented at the program were Pascagoula, Moss Point, Biloxi, Gulfport, Bay High and St. Stanislaus.

This is the first known school dance orchestra clinic ever held in Mississippi. The purpose is to teach school musicians the proper playing of the swing music and to build it under the control and guidance of the director of music. All members of the coast school dance orchestra play for the "fun" of it. They receive no money for their service. The money realized from the dances they play for goes to the fund of the music department. The director is always with them at practice and engagements. Members are not allowed to play in independent orchestras.

This system has worked very well on the coast and there is no reason why it should not work well elsewhere. When properly supervised, the school dance orchestra leads to no abuse on the part of the players.

Those selected for the two bands were: Blue Orchestra: Edward Steiner, Everett Stone, Alfred Wright, Ben Bennett, Larry Calhoun, William Frank, John Turan, Joseph Fasold, Donald Dubuisson, Donald Lytle, Billy R. Bennett, Bea Youso, Edwin O'Neil, Frances Audabae, Robert Simmons, John Rouse, Bobby McDaniel, Ellen Faulkenberry, Betty Jean Robinson. Red Orchestra: John Stewart, Bryan Lindsey, Shannon Slyfield, A. Scasfide, Tommy Butcher, David Balis, Sam Hardwick, Norbert Carnovale, Mary McCoy, Leroy Oehler, Bobby Douglas, John Dupacque, M. erger Patterson, Jimmy McDonald, Tee Kuljis and Lukey Sciana.

Proves Farming Life Refreshing

Commander Francis D. Dwyer has exemplified the fact that farming can be well done on a small scale on a small plot and for verification of this take a stroll through Breath's Lane and see his garden. He has enclosed with a wire fence a small plot of ground and there he has growing potatoes, tomatoes, corn, green peas, lima beans, string beans, onions, cauliflower, broccoli, beets, cabbage, brussels sprouts, spinach, carrots, peppers, celery and what have you? Most of these are started in a cold frame and then put into the ground but they are a dark rich green and growing fast.

Mrs. Dwyer goes in for flowers and the early daffodils were prize winners. She even has tulips ready for blooming besides the usual "spring flowers" such as nasturtiums, perennials, etc.

The Commander after the strenuous duties of commanding officer at the Cadet School finds the simple life of a farmer refreshing.

APRON SALE

This is no April Fool—On April 1st at the Altar Society's Apron Sale you will really get all kinds of aprons.

PUBLIC URGED TO HELP MEET RED CROSS QUOTA OF \$5,100

Mrs. A. P. Smith, county chairman of the Red Cross Fund Campaign, makes an earnest appeal to the people of Bay St. Louis and the County at large to please rally to the call of the Red Cross for funds to carry on its great work. The assessed quota for the county is \$5,100 and less than half of this has been subscribed.

Surely people are not considering that though the fighting has ended there is still need for the kind of help that only the Red Cross can give. If the boys in the occupation centers are lonely—and they are—how much more lonely are the boys in the hospitals. There is need for food, there is need for comfort, there is need for recreation and entertainment and this is furnished by the funds of the Red Cross. Then why are you not doing your part in this campaign for money?

The Red Cross has always come to the rescue of those in need and at this time the need is greater among our boys, your boy, your neighbor's boy, boys of our country, boys of other counties and Hancock County, the county that has had an unbroken record throughout the war is now falling far short of its quota. Do you want this to be counted against your county? Do you want the boys still in the service to say, "Well, the folks back home let us down when we had great need of their help?" Think this over. It is now up to you to come forward and do what you know to be your duty.

The booth between the Hancock Bank and Mauffray's store, is open every day and if the block leaders called on you and you were not at home please call at the booth and leave your contribution. This is your duty. What did Lee say? "Duty is the sublimest word in the English language."

Little Theatre Presents First Play

The Little Theater presented its first play "The Twelve Pound Look" a one act play by Barre, at Bay High auditorium on Monday, March 18 at 8 p. m. to a large and appreciative audience. The play was under the direction of Joseph Kern, the stage effects were by Mrs. Francis Wilson, Francis Wilson, C. C. Ferrell, Joseph Perry, and C. D. Blair. Mrs. Mary Aitcher was make-up artist, music was by the Bay High Orchestra and D. M. Russell, Jr., read the prologue.

The place of the play was the living room of the Sims home and the time was mid-morning and opened with Mr. Sims, who was about to be knighted and his wife talking it over. Mrs. Sims wearing the dress she would wear at the ceremony.

Mrs. C. C. Ferrell as the secretary and ex-wife of the son to be Sir Harry Sims was excellent. She had poise and ease and her voice was well pitched so that she could be heard and her sense of the ridiculous was evident throughout the conversation with her ex-husband. The present wife Mrs. Rene de Montclair, Jr., though cast as "A timid soul" was par-excellence in her role and captured her audience with her sweet smile. Sir Harry Sims was the perfect rich husband who considered success more important than the appreciation of his beautiful young wife whom he wanted to adorn with jewels and ropes of pearls. E. P. Kirkpatrick was the perfect butler carrying off his part with a dignity that could not be surpassed.

The Little Theater group are to be congratulated on the advancement they have made in an organization less than two months old and it is hoped that the membership will grow and that the organization takes deep roots and becomes a permanent part of Bay St. Louis.

Receive Religious Habits

On Tuesday, March 19th, six young ladies were clothed with the Religious Habit of the Sisters of Saint Joseph at the St. Joseph Academy Chapel in New Orleans.

There was a High Mass followed by a reception. Because of Arch Bishop Rummel's absence, the retreat master Rev. Father J. Buckley, S. J., officiated. On Thursday, March 21, six more young ladies will make their first Vows.

Approximately 35 young ladies and eleven sisters of St. Joseph Academy in Bay St. Louis, went in for the ceremony on a chartered bus. Bay St. Louis is particularly interested in this year's ceremony because Miss Mary Jane Donlin, daughter of Mr. John Donlin of Biloxi was one of the Postulants. Sister Mary Susanne, as she will be called, is a graduate of St. Joseph Academy, Class 1945 and entered as a Postulant in September. A number of other students and residents of the Bay attended but only a few could be accommodated in the train or motored over.

CHAMBER OF COMMERCE ACTIVITIES

The new sweet potato dehydrator recently purchased by the newly formed Hancock Stock Feed Co., from J. B. Beard Company of Shreveport, La., is expected to arrive here at any time and will be installed in the Monti Building on Necaise avenue near Union Street. It was originally planned for March 15th delivery; however, transportation difficulties were encountered and shipping of the machine was delayed a few days. Through this medium the public will be advised of its arrival and will be cordially invited to view this unit and secure first hand information on its operation.

MINNEAPOLIS BALL TEAM

The entire training squad of the Minneapolis Ball Team has arrived and for the past few days has been working out at the ball field under the supervision of manager Zeke Bonura. The diamond is in fine shape and with the completion of the grand stand and other facilities this project sponsored by the Chamber is considered by Mike Kelly and Zeke to be the best that they have ever had to train their men on.

NEW INDUSTRY

Last week a number of the directors and the secretary motored to New Orleans and met with the officials of a large financial institution in the interest of securing a major industry for Hancock County. At this time the project is in its infancy and as soon as definite commitments can be secured from the interested parties further information will be announced.

Celebrate Feast of St. Joseph

Each year, Mr. and Mrs. Gaspar Maurigi, Sr., celebrate the Feast of St. Joseph by fixing an altar to St. Joseph and this year was no exception. The Altar was beautifully decorated with flowers and lighted candles and the table fairly groaned under the weight of the traditional food. Besides the many delicious cakes and bread, made in artistic designs, fish and meat, there were nine different kinds of vegetables, arranged in appetizing manner. Most of which was cooked by Mr. Russell Maurigi. The bread was cooked by Mrs. Maurigi, Sr. who was assisted by Mr. August Vassalli.

There were a number of donations, including sugar and thanks and appreciation are hereby extended to everyone who assisted in any way.

Those representing the Biblical figures were: Peter Chiniche—Jesus; Mary Sciana—Blessed Mother; Mr. Anthony Loicano—St. Joseph; Anthony Benigno—St. Anthony. The latter was a special saint represented in thanksgiving for the recovery of Mrs. Maurigi's health.

The well known custom of having the altar blessed was fulfilled by Rev. Father Dominick, after which the religious representatives were served. All cash donations were evenly divided and distributed among poor families.

To the many who visited the altar, this was considered one of the prettiest of them all.

Regular Meeting of Chapter No. 129 Order Eastern Star

The Bay Chapter No. 129 OES held its regular monthly meeting at the Masonic Temple, Thursday March 14 with Miss Barbara Sick worthy Matron and George Schilling, acting worthy Patron presiding.

The chapter opened in regular form and the visitor Mrs. Gertrude Gassaway, Search Light Chapter, Long Beach, California, was introduced and welcomed.

After regular business the ceremony of welcoming the secretary and treasurer was next in order and the associate conductress Mrs. Mildred Ramond escorted Miss Hilda Sick, past secretary and E. S. Drake past treasurer to the worthy matron who welcomed them and presented each with a gift. The chapter was called up for special prayer service for Mrs. Lucile Anderson who is a patient at the Baptist Hospital New Orleans, and Cy Engman who is at the Tourno Infirmary. Both were reported improving.

On March 21 there will be a special meeting held for the district deputy grand matrons visit and initiation and on April 11 the chapter members will be honor guests.

Bay High Mittmen Receive Well Earned Trip

The Tiger Boxers, after defeating Belzoni 5-4, were treated to a nice trip into Tennessee over the week end. They journeyed to Belzoni Fribe day for a match and then left for Chattanooga and Lookout Mountain. The twelve boys making the trip report a wonderful time and practicing no car trouble. They returned to Bay St. Louis Monday afternoon.

CARDINAL TIEN, S. V. D., PLANS TO VISIT SEMINARY ENROUTE TO CHINA

Cardinal Thomas Tien, S. V. D., Vicar Apostolic of Tsingtau, China, plans to visit the United States for at least a month, while enroute to his homeland from the Consistories at Rome. He also intends to visit St. Augustine's Seminary while in the States.

His Eminence Cardinal Tien, S. V. D., first native Chinese Bishop in the history of the church to be created a Cardinal, is the first member of the Society of the Divine Word to be raised to the high office. The Fathers of that same order conduct St. Augustine's seminary, here, the only seminary dedicated exclusively to the education of Negro priests.

China's first Cardinal will arrive in the United States about the end of March.

It is known that Cardinal Tien plans to visit Boston, New York, Washington, Chicago, Detroit, St. Louis, and expects to arrive back home in China about June.

The Chinese Cardinal will leave Rome early in March and will visit Switzerland, Belgium, The Netherlands, France, England and Ireland enroute to the United States.

At the time of his arrival in this country it was announced that Cardinal Tien would study American educational methods in this country.

The Catholic Church was started at Christmaside by the appointment of 32 new members of the Sacred College at Rome. Not many, however, caught the drama of the election of Thomas Tien, son of pagan parents and convert to the Faith.

Never before had the Church honored any prelate in China with the princely dignity and the Red Hat of the Cardinalate. Perhaps never before had the church singled out a poor orphan of a foreign mission for the highest office outside the papacy. Thomas Tien was born in 1890. Orphaned as a little boy he was taken into the Divine Word orphanage at Puoli, first settlement of the Divine Word missionaries at Shantung.

In early youth he entered the society's minor seminary at Yenchowfu and completed his studies at the major seminary there. Ordained in 1918 he taught mission schools for three years and was then assigned to various missions in Shantung. He entered the Divine Word novitiate in 1929; made his religious profession in 1931, and took his final vows in 1934.

He became the first Apostolic Prefect of the newly erected Yangku prefecture. Called to Rome in 1939, he travelled by horse cart 200 miles through Chinese and Japanese battle-lines. He was consecrated Vicar Apostolic of Yangku by Pope Pius XII and was named Titular Bishop of Ruspe and Vicar Apostolic of Tsingtau in 1942, succeeding the late Bishop George Weig, S. V. D.

In addition to other important positions, the Cardinal is trustee of the University of Peking, China, conducted by the Divine Word Fathers.

The church of Santa Maria in Via has been assigned as titular church to Cardinal Thomas Tien, S. V. D., Santa Maria in Via was at one time the titular church of the late Cardinal Patrick Hayes, Archbishop of New York.

Minneapolis Millers Like Bay St. Louis

With 35 aspirants on hand at present and five more due by the end of the week, Manager Zeke Bonura of the Millers is really getting in some hard training. Zeke is high in his praise of his boys, the training field, and Bay St. Louis and the players with one accord agree that training here isn't work.

Mr. Mike Kelly, who has been in baseball 52 years, says Bay St. Louis is the best site he has ever seen for spring workouts.

Mrs. Kelly, who plans to come back here to spend next winter, says that the water and climate has added 5 years to her life.

The players praise the club house because of its size and conveniences, and the managers like the field because there is room for everyone to workout at the same time and not get in each others way.

On Tuesday, March 26, the Millers met Columbus here at 2:30 P. M.

To Speak on United Nation Organization

On April 19 at Bay High School, Dr. R. A. McLemore, Dean of Instruction at Mississippi Southern, will speak on the United Nation Organization at 8 p. m.

The public is cordially invited as Dr. McLemore will answer any questions asked from the audience.

This program is sponsored by the P. T. A. and it is hoped there will be a record attendance, as this is a subject of interest to all. You now have the opportunity to clear any thing that may be puzzling you, regarding it.

MURDER BY CONNIVANCE

WITH the end of the war and the resumption of an unlimited flow of gasoline, Americans are back at their deplorable practice of killing and maiming one another on the streets and highways. Deaths in motor-vehicle accidents which reached just under 40,000 in 1941, are on the rise again and are expected to touch new peaks. Injuries which hit the unbelievable high of 1,450,000 in the same year, are keeping pace.

The war took a terrific toll of our human resources and we are sobered by the casualty figures. Yet this steady year by year attrition of life and limb through recklessness passes almost unnoticed. People who harp upon the subject are brushed off as bores. Organizations which campaign for safe driving are given scant attention to say nothing of cooperation. Traffic laws are ignored and flouted. On the record, the motor vehicle is the most lethal device man has ever invented. Why, then is its danger regarded so lightly? Why are we less concerned in safe guarding ourselves against the immediate menace than we are in controlling the atom bomb?

The root cause of the climbing accident rate, the underlying reason why we have never been able to get a grip on the homicidal potentialities of the motor car is the blithe. American habit of fixing traffic tickets. There are no laws to promote safe driving. If given a chance, they will be effective. Individuals who are unwilling or unable to take the recklessness out of themselves soon would find the cops taking it out of them. But the laws are nullified and made useless by the willingness of other wise law-abiding citizens to see the law flouted by themselves and by others through the "fix."

We cannot shrug off the responsibility for this and blame it on the "lousy politicians." The politicians give us what we want. They fix traffic tickets because many influential and substantial citizens want them fixed.

And yet the man, woman or child killed by a motor vehicle is just as dead as though shot through the heart. None of us can escape responsibility for these deaths or for the thousands of people not so lucky who are maimed for life. Those of us who connive to get tickets fixed or who complacently allow fixing to go on in our communities are connivers of murder.

The time has come to put a stop to ticket fixing. It is no longer smart to get away with it. It is foolishness—the worst kind of foolishness. The man who brags about his violations and his ability to escape punishment therefor is more of a menace, more dangerous than the gangster or the felon. He must be made to drive carefully or be put off the streets.

A rigorous enforcement of traffic laws on rich and poor, high and low alike, will save lives. One of the lives saved may be yourself or your child's. Do something about it.—Paul Hunter, Liberty Magazine, March 9, 1946.

Change In ERC Regulations

The Army Recruiting service in the Gulfport Post Office wishes to advise all those veterans who are members of the enlisted reserve corps that they only have 90 days from date of discharge in which to come back to active duty in grade.

Previously, a member of the E. R. C. could request a recall to active duty and then be enlisted in the regular Army in his E. R. C. grade. However, a recent change in the E. R. C. regulation withdraws the privilege of the member requesting a recall to active duty. If a member wishes to join the regular Army, he is governed by the same regulations as the veteran who is not a member of the Enlisted Reserve Corp. This means that to enjoin in grade, an E. R. C. man must be reenlisted within 90 days from date of discharge.

Any veteran desiring information on enlistment regulations is advised to contact the Army Recruiting Office in Gulfport.

Girl Scout Troop No. 1 Anniversary

On Monday, March 18, 1946 the Girl Scouts of Troop 1 celebrated the twenty-fourth anniversary of Girl Scouting in America.

After adjourning from a very interesting meeting, refreshments were served by Daun Seller, Lena Morel, Janette Ramsey, Marlene Elgoff and Betty Favre.

These girls prepared the refreshments, arranged the flowers, set the table and served as part of the requirement of hostesses badge. Daun Seller who passed the badge directed the work. The troop is very happy to have a new assistant leader, Mrs. Laverne Mollere Smith, a former member of the troop.

GRADUATION QUESTIONS

FOR MISSISSIPPI PARENTS

1. Is there a job waiting for your son after he graduates from high school?
2. Does he have a profession or specific career as his goal?
3. Are you financially able to send him to college?

Unless you can answer "yes" to these graduation questions, why not discuss with your son the greatest opportunity ever offered for good pay, vocational training, and a free college education?

Your son can enlist in the Regular Army for three years—and at the end of this period of service he will be entitled to four years of college with as much as \$500.00 a year for tuition, books and supplies \$65.00 a month for living expenses (if single) and \$90.00 a month (if married). There are also college benefits for enlistments of less than three years. Why not drop in at your local recruiting office for further details on this remarkable opportunity?

INSTITUTIONAL BUILDINGS

Bill has been passed and signed by the governor providing for the erection of a state office building on land owned by the state. The law as passed carries an appropriation of \$3,000,000 to pay for the building. The law does not designate the location of the building; but some time ago land was acquired on North West Street immediately west of the New Capitol. However, it seems that the Building Commission may exercise its own judgment as to the location of the building as well as other details. Two bills carrying a million dollars each have also been passed for the construction of a school building for the Deaf and a school building for the Blind. It seems understood that the location of these two buildings will be changed from present sites. In that event the grounds of the present buildings will be offered for sale along with the "Old Asylum" property.

TAX COLLECTIONS

Since the first of January 1946, two months and five days, the Tax Commission has collected \$6,863,382.05 as compared with \$5,211,744.23 for the same period of 1945. The sales tax supplied \$3,693,532.02, or 52.8% of the total. Income tax collection for the period named was \$1,043,319.59 compared with \$895,674.32 for 1945. Tobacco tax collection for the current period shows \$978,091.76 as compared with \$585,579.70 for 1945. Beer and wine tax collection for this year shows \$572,427.02 as compared with \$306,472.01 for the same period of 1945. Severance tax of crude oil for January and February was \$215,325.00 and for the same period of last year it was \$106,011.08. The general fund balance in the treasury at the close of business on March 6 was \$20,129,948.24.

REPORT ON WHITFIELD HOSPITAL

A legislative committee has made an investigation of the Mississippi State Hospital for the insane at Whitfield, and has recommended some changes which seem vital and necessary. The committee suggests that the amount appropriated two years ago, which was \$1,400,000, be increased to \$2,000,000. The amount recommended would increase the per capita support fund from 50c per day to about 85c per day. This is to provide for all costs of keeping inmates, food, clothing, and incidentals.

WEIGHTS AND MEASURES

Si Corley, Commissioner of Agriculture, is advocating a law to establish a system of weights and measures in Mississippi, which Mr. Corley says is the only state in the Union not having such a law. Mr. Corley says the act as proposed does not imply that merchants, grocers, grocers, or others engaged in buying or selling commodities are dishonest, but just in case full protection should be needed in any case it would be provided by this act. The proposed law follows closely the U. S. Government standards.

MEDICAL SCHOOL

The House, on Wednesday of last week, passed the bill providing for a four-year medical school in the state. The bill now goes to the Senate for approval or disapproval and the final outcome will be watched with much interest. The vote in the House was 116 for the bill, and 16 against it.

ORTTE THEATRE SUNDAY - MONDAY "UP GOES MAISIE"

Ann Sothern and George Murphy in M. G. M.'s New Maisie Mix-Up

Ann Sothern gets a new man and a new job in her latest adventure as the incomparable Maisie in "Up Goes Maisie" showing at the Ortte Theatre, this Sunday and Monday. The new man is George Murphy, playing the inventor of a modernized post war helicopter, and Maisie's new job is helping in its construction. As events in the fast-moving tale turn out, she discovers that it is also part of her job to see that it doesn't fall into the hands of a gang of crooks who are trying to steal it for a test flight to the Rose Bowl, where a wealthy banker is waiting to give the invention his final approval.

Maisie, after a number of adventures typical of her turbulent and man-chased career—among them a memorable scene in which she falls into a swimming pool at a fashionable garden party—gets wind of the plans of the gang of crooks, defeats them in a riotous free-for-all battle and, as usual, comes out in a blaze of glory when she herself pilots the helicopter to its destination after a breathtakingly perilous fight over the skyscrapers of Los Angeles.

Ann Sothern has established a trade-mark for herself in the colorful "Maisie" roles, and her current characterization is again filled with robust humor, wit and down-to-earth warmth. George Murphy is attractively cast as her latest romantic decoy, and Hillary Brooke, Horace McNally and Ray Collins stand out in supporting roles. Harry Beaumont gets credit for a smooth and fast-moving directorial job.

At Stud; Golden tan and beautiful Black & White Cocker, both of these males are sons of Champions, both have won many blue ribbons. Also cocker puppies for sale.

suppose YOU found Gas
on your land

Twenty years ago you would have been disappointed if drilling on your land had produced only natural gas. "No oil... might as well be a dry hole!" Even today, if your land is far

from a pipe line, a gas well would be a disappointment, for GAS IS WORTH NOTHING UNLESS SOLD! That's what it means to have a pipe line near your land; a market for your gas—new wealth for your own family and hundreds of other families in the area. Last year the United Gas Corporation and its associated companies, Union Producing and United Gas Pipe Line, had 73,579 acres of Mississippi, Alabama and Florida land under lease or owned in fee. United Gas is marketing gas for thousands of land-owners and royalty-owners through its 12,000 miles of main and distribution lines. This is only one of the ways the United Gas companies are helping to build property, creating payrolls and jobs, benefiting every resident of the Gulf South in one way or another.

Selective Service News

A special meeting of all Benevolent and Civic Organizations within the County has been called by the Hancock County Reemployment Committee. Mr. Leo W. Seal who is Chairman of the Selective Service Board has also been named Chairman of this meeting which will be held at the Courthouse on March 28th at 8:00 p. m.

This meeting is being called to find a way to handle the problems of the returning veterans in a more effective manner.

(A copy of the letter circulated to all organizations is attached hereto.)

Bay St. Louis, Mississippi
March 9, 1946

My dear Mr. Howie:

Hardships have arisen in many of the homes of the returning veterans and these hardships seem to be on the increase.

The organizations which have taken care of these cases have reached the point, where they need the counsel and suggestions of the different organizations in Bay St. Louis, Waveland and the county, that are interested in the welfare of these veterans and their families as to the most effective way to approach and handle these cases. With this in mind we are inviting you along with the other organizations, to meet with us on the 28th day of March, 1946 at 8:00 p. m., at the Courthouse.

If you find that you are unable to come to this meeting please have someone there to represent you.

We are not seeking or asking for money. What we want is the benefit of your counsel and suggestions.

This is a patriotic, social and welfare duty that we owe to the veterans and our country and one in which we must not fail.

Sincerely yours,

LEO W. SEAL

Chairman, Selective Service Board,
Hancock County Miss.

"Pulpwood is one farm crop you can harvest any time of year, any kind of weather. The mills are hungry for it, and ready to pay peak prices. This cash comes in mighty handy, these days, too."

"I understand pulpwood is still in great demand because reconversion is calling for more and more, to use for all sorts of business and household needs. Besides there are all the new industrial uses that were developed during the war."

"I'm not going to let good money lie idle in our woodlot! I've learned from our forester and county agent how to thin out that timber and turn our pulpwood in for some very welcome cash."

COMMISSIONERS SALE OF LAND

By virtue of the authority vested in me by a decree of the Chancery Court of Hancock County, Mississippi, rendered on February 27, 1946, in Cause No. 5074 on the docket of said court wherein Marie Louise Pier-nas, et al, are complainants and Joseph Barabino, et al, are defendants, the undersigned Special Commissioner of said court, will on

MONDAY, APRIL 1, 1946

within legal hours at the front door of the Court House of said county, expose for sale and sell to the highest bidder for cash the following described real estate situated in Hancock County, Mississippi, to-wit: Lot 49 in the Second Ward of the City of Bay St. Louis, Hancock County, Mississippi, according to the present official plat of said City made by E. S. Drake and filed in the office of the Clerk of the Chancery Court of said County on May 1, 1923.

The said lot is sold for the purpose of making partition among the owners according to their respective interest, and the title is believed to be good but I will convey only such title as is vested in me as said commissioner.

This the 7th day of March, A. D. 1946

A. G. FAVRE,
Special Commissioner.**SELF-REGULATION****Is the Answer...**

An interested citizen says: "I have watched your Self-Regulation Program in Mississippi with much interest. It has achieved much. Its success in separating the sale of beer from the sale of bootleg whiskey and other vices has exceeded the expectations of everyone. When I came to Mississippi beer was generally associated with the illegal sale of whiskey, gambling and other vices, but that is not true now. There can be but one reason for the change and that reason is the Self-Regulation work and educational activities of your Committee."

A Mississippi Sheriff confirms: "I am pleased to say that beer is not sold in connection with bootlegging in my county."

A Mississippi Mayor also confirms: "We have no dealers that handle whiskey and beer combined."

Another Sheriff confirms: "I have constantly kept the places where beer is sold under observation personally and it is my opinion that no liquors or wines are being sold by any of the retail dealers of beer."

This Committee, through its Self-Regulation Program, is determined that wholesome conditions surround the sale of beer wherever it is sold.

Opens Temporary Marine
Recruiting Headquarters
At Post Office

Marine Sergeant John H. Gilliam, a veteran of Second Marine Division fame in the Pacific, this morning opened temporary Marine recruiting headquarters in the Post Office.

Sergeant Gilliam, an infantryman in the Eighth Regiment received the Bronze Star for action against enemy Japanese forces on Saipan. He also fought in the campaigns of Guadalcanal and Tarawa.

Seeking enlistments to help replace veterans being discharged from war duty, he will interview interested men between the ages of 17 and 25.

According to Sergeant Gilliam, men may now enlist for duty with units of Marine Aviation. Young men enlisting for duty in Marine Aviation will first undergo recruit training. After that they will be assigned to an air unit where their special skill will be put to the best possible use.

The 17-year-olds to be accepted, must have parents or guardians consent. All others may enlist upon application providing they can pass the required physical examination and have completed eight years of education or can pass an educational examination which may be given in place of the formal schooling requirements.

Men who enlist now, the Sergeant added, will be eligible for the GI Bill of Rights.

For further information, contact the Marine Sergeant at the Post Office, or write to, U. S. Marine Recruiting Station Room 526, Post Office Bldg., Jackson, Miss.

Home From China

A visitor to our city this week was Sergeant Clem Toca, Marine Corps, just back from Tientsien, China, after twenty-eight months of service in the South Pacific.

—Mr. and Mrs. Hugh Weir returned this week from a trip to Richmond, Va., and Washington, D. C., where they visited their daughters Mrs. Ray Simmons, the former Miss Flora Weir and Mrs. Elliott Ryan, the former Miss Hilda Weir.

—Mr. and Mrs. M. W. Hoppe of Wampun, Wisconsin, returned home after ten days vacationing on the coast. Mrs. Hoppe will be remembered by many of the elder residents as Miss Florida Pettengill, who resided in Bay St. Louis about sixty years ago.

—Francis W. Nelson, son of Mr. and Mrs. F. W. Nelson of this city has been elected chairman of the recently formed American Veterans' Committee in New Orleans. All veterans, including former members of the armed forces, the Merchant Marine and newspaper correspondents are eligible for membership in the AVC. Congratulations are extended to Mr. Nelson who has gone through a rather hazardous time in the recent war.

OUT-OF-TOWN WEDDING
OF INTEREST

A wedding of interest to many in Bay St. Louis was that of Miss Shirley Hare, formerly of Bay St. Louis and Mr. George Heintz, both of New Orleans, La.

The ceremony took place at 8 p. m. on March 14th in the Chapel at the Coast Guard Base on Lake Pontchartrain Lake Front, with the Chaplain officiating.

The bride was attired in a lovely bridal costume with a veil of illusion, carrying white roses, white sweet peas and orchids. The maid of honor, Miss Joyce Heintz, sister of the groom wore a white net dress, with a bouffant skirt and she carried American beauty roses, tied with American beauty shade of ribbon, of which a most attractive cap was also made.

The groom, son of Mr. E. Heintz, although recently discharged was in uniform, had as his attendant Mr. Daniel Hare, brother of the bride. The two flower girls were dressed exactly as the maid of honor, carrying smaller bouquets of American beauty roses. They were Misses Joycelyn and Ann Hare.

The bride was given away by her father Mr. E. G. Hare, Sr. Mrs. Heintz's traveling suit was light green with white accessories. She wore a corsage of orchids, which had been the center piece of her bridal bouquet. The young couple spent several days in Bay St. Louis before journeying on to North Carolina, where they are spending their honeymoon. They will make their home in New Orleans.

A large reception was held at the home of the bride's parents in Columbus street. Guests from Bay St. Louis attending the wedding were Mrs. Albert Biehl, Sr., and Miss Gloria Biehl.
